LB 990A, 1056A

PRESIDENT: LB 1056A is advanced. The Chair would like to announce that Senator Vard Johnson has guests in the Chamber this morning under the south balcony. They are three students from Benson High School in Omaha and they are accompanied by our friend and former colleague, Senator Steve Wiitala. We would like to welcome you back to the Legislature and welcome you this morning. Are we ready for the next Haberman bill? Senator Richard Peterson. Mr. Clerk, do you need to read anything on that bill?

CLERK: Mr. President, the 990A is a bill by Senator Haberman. (Read title.)

PRESIDENT: Senator Peterson.

SENATOR R. PETERSON: Mr. President and members, this bill changes the fee requirement on having fee waived after the 25th registration in the name of any one person. The impact of this change will generate an additional \$17,000 in revenue for the program and the revenue would be generated from the Nebraska registrants and the second change in this bill under the Economic Poison Law is to create a cash fund that all registration fees would be deposited into. General funds would be decreased by an amount equal to the amount of cash funds that would be generated under this revised law. I ask to move this bill over to Select. Thank you.

PRESIDENT: The motion is to advance the bill to Select File, from General File to Enrollment and Review. Is there further discussion? If not, all those in favor vote aye, opposed vote no. We are voting to advance LB 990A. Have you all voted? The Clerk will record the vote.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the A bill.
